

PT6A AND PW100 EXCITERS

Part # CH92106-5 (3043937-10)

THE CHAMPION ADVANTAGE

PT6 operators have relied on Champion exciters to deliver consistent performance and reliability in the most challenging conditions. Now Champion offers a PT6 exciter Exchange/Upgrade Program for most PT6 powered aircraft.

- **Built-in back-up with dual-channel redundancy (not available with competitive exciters)**
- **Solid state components for reliability and long life (Rad-Free, Hazmat-Free exciter)**
- **Two-way interchangeability with 10-381550-4 and CH92106-1/-3**
- **Three-year new parts warranty**
- **Available from Champion distributors**
- **Two mounting positions to fit into limited areas**

Refer to chart on back for aircraft/engine application.
