## REPUTATION PROVEN

Operators worldwide trust  
 Concorde – shouldn't you?

...the heart of your aircraft®  
**CONCORDE**

Concorde sealed lead acid batteries are on mission critical operations every day where dependability matters most – Military, Medevac, Airline, Offshore Support and Flight Training. RG® Series batteries are designed to deliver unmatched performance and reliability.

## Stratoflex Hose Kits

Kadex benefits from a long-standing partnership with an authorized Stratoflex distributor with an astonishing 24-hour turn time... we will make identical replacement hose assemblies to match your samples. If you do not have a sample, we have a detailed cross reference for OEM part numbers.

**UNBEATABLE VALUE**

## CORROSION CONTROL SOLUTION

ACF-50 is a complete after-market/in-service corrosion preventative and control program (CPCP) solution for airframe, avionics and ground support equipment. ACF-50 has been trusted by commercial airline and government agencies since 1985. Lear Chemical offers complete aircraft corrosion treatments and the ACF-50 fogging process. ACF-50 kills corrosion on contact.

## MidContinent™ INSTRUMENTS+AVIONICS

### TRUE BLUE POWER®

A division of Mid-Continent Instrument Co., Inc.

### Certified 2-inch Instruments

- Affordable, 2-inch instruments which can be used as standby or primary indicators
- All units have integral long life LED lighting
- Attitude Indicator operates from 10–32 volt DC
- All units are FAA TSO certified (C4c, C2d and C10b)
- One-year limited warranty
- Airspeed available in 160, 200, 260, 300, 350 or 400 knots
- Altimeter available with right-hand or left-hand knob, 20,000 or 35,000 ft.,
- Anti-reflective glass enhances visibility/reduces pilot fatigue

### Dual USB Charging Port

The self-contained TA 102 Dual USB Charging Port is a modern addition to any cockpit and interior cabin. Each USB port is designed to supply the electric current needed to charge any standard or high-power device with a USB interface. The TA 102 protects itself and the charging device from short-circuit, power surges and over-current potential.

### MD93 Series Digital Clock/USB Charger

THE MD93 SERIES IS A HIGHLY-ACCURATE DIGITAL CLOCK WITH THE ADDED VALUE OF A DUAL USB CHARGING PORT.

Save panel space with this unique 2-in-1 solution. Accurate time-keeping is essential for any pilot and in-flight USB charging power is a necessity. Charging Port supplies the electric current needed to charge any standard or high-power device with a USB interface, while protecting itself and the charging device from short circuit, power surges and over-current potential.

### TI250 DC-to-AC Cabin Power Inverter

A new economical, 250-watt inverter. The TI250 DC-to-AC Inverter provides 250 watts of clean, regulated, 'wall outlet' power from the aircraft's 28 VDC input. The TI250 supplies power to the cabin and/or the cockpit and is ideal for powering laptops, iPads, tablets, chargers and special missions equipment.

## Customer Property Repair & Overhaul

## TOOLS & SHOP EQUIPMENT

Sales - Rental - Calibration

The preheat system produced by Tanis Aircraft Products will add to operational efficiency, utility, safety of flight and reduce the problems of engine wear associated with cold starts.

Tanis Aircraft Products manufactures the only preheat system that applies heat directly to all of the cylinder heads, oil sump and crankcase. The Tanis preheat system is powered by ground power and is not used in flight. Mounted on the aircraft, it weighs less than 2 pounds (0.91 kg). The installation kit comes complete with required cabling, circuit protection, and shore power plug.

## Extending Battery Life:

Not flying as much as you'd like? Inactivity destroys batteries.

Now you can add years to your battery and lower your cost of flying with the BatteryMinder

Ask your KADEX rep how a short 7 minute video can show you how to save your battery from an early grave.

...the heart of your aircraft  
**CONCORDE**

## FUEL PUMPS

KADEX carries an extensive inventory of pumps on OH condition for immediate shipment.

OVERHAUL - EXCHANGE - CUSTOMER PROPERTY  
NEW OUTRIGHT PUMPS - FAA PMA on select pumps

RA1C27-10 Cartridge	Bell 206B, Bell 206L, 206L1, Bell 407, Bell 427
RA1C27-19 Cartridge	Eurocopter Deutschland, GMBH, MBB-BK117 A-1, MBB-BK117 A-3, A-4, MBB-BK117 B-1, B-2, C-1, C-2
RA1C27-20 Cartridge	Aérospatiale, Puma & Super Puma, Eurocopter France AS332L & AS332L1
RA2C27-1 Cartridge	Bell 206B, 206L1, 206L3, 206L4
RA2C27-3 Cartridge	Bell 205A, 205A-1, 212, 412, 412EP, 412CF, Kaman K1200, Bolkow B0105A, B0105C, B0105S, B0105LS A-1, B0105LS A-3

## BRIGHTEST LED LANDING LIGHT ON THE MARKET

World's best selling LED landing light is now **40% Brighter**

**WHELEN** MANUFACTURED IN AMERICA  
FAA PMA APPROVED

## Fuel Cells

Fly FFC  
FLOATS & FUEL CELLS®

All FFC fuel bladders are manufactured with REGISTERED T50-C80 constructions  
... **KNOW** what you are installing. Quality products at competitive prices.
