

FOR IMMEDIATE RELEASE

KADEX AERO SUPPLY APPOINTED DISTRIBUTOR FOR GOODYEAR TIRES

29/10/2020: Kadex Aero Now Distributing Goodyear Tires

With more than 100 years of aviation industry experience, Goodyear is a leading supplier of aviation tires for commercial, military and general aviation aircraft worldwide. A powerful force in all aviation segments, Goodyear Aviation offers proven technology, quality and performance, approved and selected by original equipment manufacturers, who trust Goodyear to enhance their operation.

Since Goodyear's founding in 1898, their standard for success has been based on a commitment to continuous improvement and innovation. They've since grown into the world's largest tire company, with one of the most recognized brand names. They employ over 69,000 associates in locations around the world—all working hard to deliver the highest quality in everything that they do.

"KADEX is proud to be one of the only distributors in past 10 years to be appointed a Goodyear Distributorship. We are very excited to support the Canadian market with tires that will be readily available on the shelf at our 3 locations," says Jordan Lavery, Director of Business Development at KADEX Aero Supply.

About KADEX:

KADEX Aero Supply is a family-owned aircraft parts and service distributor with three Canadian locations – Peterborough, Winnipeg & Calgary. KADEX distributes products from over 50 different manufacturers along with repair and overhaul services. Services include Beechcraft legacy specialists, landing gear repair and overhaul, maintenance/technical support and offers 24/7 AOG service. KADEX has been serving worldwide operators and maintenance organizations with industry leading solutions since 1994.
