FAA Certified STC SR03072NY and ANAC 2012S04-04, EASA 10043385, TCCA SH11-47

AW139/AB139 Operators

Purchase Concorde's High Performance Batteries and STC through your preferred Concorde Distributor.

- a. Main Battery Options - RG-380E/60L (48 Ah)
or RG-380E/44L (42 Ah)
- b. Auxiliary Battery - RG-407 (27 Ah)
- c. STC SR03072NY (ANAC 2012S04-04,
EASA 10043385, TCCA SH11-47)

Enjoy improved starting performance
and cooler starts.

When the time comes, contact Concorde for a FREE replacement battery. Simply provide a copy of the STC Letter of Authorization, proof of battery and STC purchase, and a shipping address to receive the battery of your choice at no charge.

This offer is valid for STC conversions completed by September 30, 2018.
