THE KADEX ADVANTAGE

The KADEX advantage is our experience gained over 23 years. Our experience and depth of product knowledge makes it possible to offer quick answers to your technical questions and requests - we promise personalized attentive service.

Extensive Inventory: We carry plenty of stock in Calgary and Peterborough ready for you when you need it. With two time zones our long service day is a welcome feature.

Superior Value Added Services:

- Technical Sales Specialists
- AOG & After Hours
- R & O Management
- Asset Management
- Tools
- PMA/PDA/STC Parts Development

Flexible Inventory Management: Our long supply chain allows you to remain focused on core activity - leave the spares to KADEX. With our extensive stock you don't need to carry nearly as much inventory. Keep costs off your books until it's absolutely necessary.

*Supply agreements to remove spot buying are a welcome feature.
