Clean

Condition

Protect

Available in a convenient 150 hour refinish kit with required applicator, providing a safe and simple 3 step process to maintain your de-icers.

BOOT CARE KIT P/N: SMRCAREKIT

Boot Cleaner

Thoroughly and safely removes existing residue and treatments.

P/N: SMRCLEAN

Boot Conditioner

Chemically conditions and protects your de-icers against harmful oxidation and UV damage.

P/N: SMRCONDITION

Ice Inhibitor

Protects boots by reducing Ice Adhesion and improving ice shedding. Built in UV protectant adds an additional layer of protection.
